Assistant to the Director (Col. Grogan)

SUBJECT

: Proposed History of OSS by [redacted]

25X1

On 26 April the DCI reviewed the commitment of the Agency [redacted] for the preparation of a history of the OSS. He stated that inasmuch as we have made a commitment to assist in this project, we should fulfill the commitment, but expressed the hope that [redacted] would complete his work [redacted] on Agency premises. The DCI is concerned that the Agency may be granting a special privilege, particularly in the area of providing office space and secretarial assistance which we might at some future time have to provide to others.
